The yields and returns represent past performance. Past performance does not guarantee future results. Current performance may be lower or higher than the performance quoted above. Please visit www.am.gs.com to obtain the most recent month-end returns. Yields and returns will fluctuate as market conditions change. The yield quotations more closely reflect the current earnings of the Fund than the total return quotations. The Quarter-End Total Returns are average annual total returns or cumulative total returns (only if the performance period is one year or less) as of the most recent calendar quarter end. They assume reinvestment of all distributions at net asset value. The Standardized 7-Day Current Yield and Standardized 7-Day Effective Yield of a fund are calculated in accordance with securities industry regulations and do not include capital gains. Standardized 7-Day Current Yield may differ slightly from the actual distribution rate of a given portfolio because of the exclusion of distributed capital gains, which are non-recurring. The Standardized 7-Day Effective Yield assumes reinvestment of dividends for one year.

Fund holdings and allocations shown are unaudited, and may not be representative of current or future investments.Fund holdings and allocations may not include the Fund's entire investment portfolio, which may change at any time.Fund holdings should not be relied on in making investment decisions and should not be construed as research or investment advice regarding particular securities. Current and future holdings are subject to risk.
